Quick Listen: Scrip's Five Must-Know Things

Progress, Setbacks And Coronavirus Vaccines

by **Ian Haydock**

Join us for a quick audio roundup of five useful things to know from *Scrip's* recent coverage of the global biopharmaceutical industry.

Take a brief audio tour around *Scrip's* Five Must-Know Things, in this episode covering major developments in the business week ended 14 August 2020.

Making headlines this time are setbacks and progress for Roche, Bayer's external growth strategy, a controversial coronavirus vaccine approval and an infographic rundown of the world's top-selling drugs.
