Quick Listen: Scrip's Five Must-Know Things

by **Ian Haydock**

Join us for an audio catch-up of the past week's main biopharma events as brought to you by Scrip's global team, in this mini podcast version of Five Must-Know Things.

This episode includes the main news from around the biopharma world in the business week ended 11 December 2020.

Important updates from the ASH meeting, the latest developments with COVID-19 vaccines, and new ambitions at Japan's largest pharma firm are all on the menu this time.

Stories mentioned in this episode:
