Quick Listen: Scrip's Five Must-Know Things

by **Ian Haydock**

Join us for an audio catch-up on the latest key developments in the global biopharma industry, as reported by *Scrip's* global team, in this mini podcast version of Five Must-Know Things.

This episode includes insights from around the biopharma world for the business week ended 15 January 2021.

This week, we take a look some of the major news to come out of the J.P. Morgan Healthcare Conference, a big oncology deal for one Chinese company, lessons in Alzheimer's development, and a pipeline update from one large German firm.

These and all our other podcasts are available on the Informa Pharma Intelligence channel on Apple Podcasts, Google Play, SoundCloud and TuneIn - and also now on [Spotify Podcasts](#) - and also via smart speakers if one of these channels has been set up as your default podcast provider.
