Quick Listen: Scrip's Five Must-Know Things

by Ian Haydock

In this week's podcast edition of Five Must-Know Things: *Scrip* asks what 2022 holds for deal-making; Pfizer looks for transactions to add to its top line; Sanofi unworried about JAK threat to Dupixent; what information do healthcare professionals want from pharma; and Amgen looks to its established brands for growth.

Join us for an audio catch-up on the major events in the biopharma industry over the past business week, as reported by *Scrip*'s global team, in this podcast version of Five Must-Know Things.

This episode covers insights for the business week ended 11 February 2022, including: *Scrip* asks what 2022 holds for deal-making; *Pfizer Inc.* looks for transactions to add to its top line; *Sanofi* unworried about JAK threat to Dupixent; what information do healthcare professionals want from pharma; and *Amgen, Inc.* looks to its established brands for growth.

This and all our other podcasts are available on the Informa Pharma Intelligence channel on *Apple Podcasts*, *Google Podcasts*, *SoundCloud*, *TuneIn* and *Spotify Podcasts*, and via smart speakers if one of these platforms has been set up as your default podcast provider.
